

# The Wellness Flu Program

## BE PROACTIVE! GET A FLU SHOT

Participants must be 18 years of age or older and are subject to evaluation of health and medical history. Flu Program is subject to vaccine availability. Pregnant women in CA, DE, MO, NY, and WA are not eligible to participate in this flu vaccination program. State law prohibits pregnant women from receiving a flu shot containing Thimerosal.

### SWCCCASE

- Flu shots are available at NO COST to all employees who are eligible for insurance benefits.
- Flu shots are at NO COST for spouses and dependents age 18 years & older who are covered by the \$300 annual well care benefit provided in the BCBS PPO program.
- Employees who are not eligible for insurance coverage and spouses and dependents of employees participating in a NON-BCBS PPO program may participate for **\$24.50**.
